Frequently Ask Questions

1. How do I become a student/ mentee?

Log in to the web portal www.SOUKTRAIN.com, fill the registration form accordingly and submit. You can make the payment of a non-refundable annual fee of N9, 000(nine thousand naira) only online with your ATM Master or Visa card, or you go to the bank and pay into our account directly (Our account details are provided elsewhere). As soon as your payment is confirmed, your virtual office will be activated immediately and you can then log in as a member to access your back office.

2. How do I receive my coaching/ mentoring lessons?

Immediately your account is activated the first month training module is sent to your study archive ready for you to download. Your lecture theatre is your virtual classroom. Here you partake in class activities, asking and answering questions. This is an interactive programme where a lot of learning, practice and real life demonstrations take place. Equally, you are strongly advised to register and belong to an Affiliate Service Provision Centre (ASPC) nearest to you. This is where our once-in-a-month offline coaching and mentoring takes place.

3. What, if there is no ASPC (Affiliate Service Provision Centre) near me?

You can become one. For conditions and requirements contact the Admin

4. Can I be a student/ mentee and at the same time an affiliate?

Yes! As a matter of fact, you cannot be an affiliate if you are not our mentee first of all. But you can be our mentee without being an affiliate. To be an affiliate means, apart from being coached and mentored by us, you have also agreed to be sharing the good news about our products and services with your friends and loved ones and bring them too into the programme. As a result, you get all the benefits that are attached to doing so. Whereas, as a mentee, you only enjoy our coaching and mentoring services alone for a period of 1 year.

5. Do I have to pay additional money aside of the annual coaching fee of N8, 000 to become an affiliate?

No! You don't pay any additional money. Your non-refundable-annual coaching fee of N9, 000 qualifies you to be an affiliate if you so choose. Your choosing to join the affiliate programme even gives you an **unfair advantage** – it makes you remain a life-time student/ mentee with SOUKTRAIN for just that N9, 000 which you've paid. But make sure you check in, 'I want to be an affiliate' box ☒ before you submit your form, otherwise you will be taken in for coaching/ mentoring programme only. Once you submit the form, it is final; your decisions are not reversible.

6. As an affiliate, how do I monitor and manage my business and how do I get paid?

In your back office, you have different accounts, departments and tools to monitor and manage your business. Your commissions, bonuses, etc. are put in their respective accounts in your office. You are the one to transfer money from your e-wallet to your local bank account. You can do that as many times as possible within the week. It takes 72 working hours for the money to be deposited in your local bank account each time you transfer.

7. If I choose not to be an affiliate, how long will my membership last?

Mentoring/ coaching programme for all non affiliates lasts for 12 calendar months. It is renewable thereafter for another 12 calendar months.

8. As a non affiliate member, can I introduce others to the programme?

Sure, you can! But, you will not be rewarded by cash. SOUKTRAIN teaches Personal Development, Financial Literacy and Entrepreneurship. Therefore, your introducing others to join the coaching is your contribution towards financial liberation of humankind.

9. As an affiliate, how many people do I have to introduce before I start earning money?

You start earning money immediately you introduce 2 people at your Successline level 1. See Comp Plan for details.

10. Apart from referral commissions and bonuses, are there other sources of earning income?

Yes there are! Some of which are (1) discounted products on personal purchases and (2) commissions on sales of physical products and items.

11. Can I register more than one account?

No, you can't! It is unnecessary. Please refer to the compensation and understand exactly how it works.

12. Can I register members of my immediate household?

If they are of legal age (18+), know and appreciate the importance of coaching/ mentoring, and are able and willing to run the account independently. If they satisfy all these, then you can.

13. Who is qualified to be a member?

Ability to read and write. But most importantly, an obsessive desire to live a life of meaning and relevance; to achieve personal and financial freedom; to affect all of life positively; to be happy and be at peace with oneself and with God.

For further enquiries, please visit our office, call or e-mail us. We shall be glad to attend to you. Thank you.

Listen to the masters

“Whatever may be said in praise of poverty, the fact remains that it is not possible to live a really complete or successful life unless one is rich. No man can rise to his greatest possible height in talent or soul development unless he has plenty of money: for to unfold the soul and to develop talents, he must have many things to use, and he cannot have these things unless he has money to buy them with.”

– Wallace D. Wattles

“The poor do not need your sympathy or your coins. They need **EDUCATION**, **INSPIRATION** and **A LADDER** to climb out of their situation. Coins only send them a loaf of bread to keep them alive in their wretchedness and misery, or give them an entertainment to make them forget for an hour or two. But education will **TEACH THEM WHAT TO DO**, inspiration causes them **TO RISE**, and the ladder, **THE STEPS TO CLIMB AND COME OUT** of their poverty and misery.

If you really want to help the poor – your loved ones, your friends, the people around you – you should **DEMONSTRATE** to them that **THEY TOO** can become rich. You should **SHOW THEM THE WAY**; you should **PROVE IT TO THEM** by **GETTING RICH YOURSELF.**” – Terry Noah

Picture a ladder and/ or with someone climbing.

“If you are not financially independent by the time you are forty or fifty, it doesn’t mean that you are living in the wrong country or at the wrong time. It simply means that you have the wrong plan.”

– Jim Rohn

“Ignorance is not bliss. Ignorance is poverty. Ignorance is devastation. Ignorance is tragedy. Ignorance is illness and pains. Ignorance is death. It all stems from ignorance.”

– Jim Rohn

“Learning is the beginning of wealth. Learning is the beginning of health. Learning is the beginning of spirituality. Searching and learning is where the miracle process all begins.”

– Jim Rohn
